ABOUT

A stylized, handwritten signature in dark gray, overlapping the word "ABOUT". The signature appears to be "Archi touch" in a cursive, flowing script.

Archi touch is a family business, owned by the Kandil family and a member of the "Kandil industries group". Established in 1997, lead now by the second generation with a great passion of design and conscious of employees' well-being, on different levels. Archi touch now is one of the market leaders in the office and home furniture manufacturing industry. Today Archi touch is taking an extra mile by providing clients with design consultation for their spaces along with the main scope.
